

Boyfriend Potential

After a breakup, Josh is once again on his own, wondering if he'll ever amount to anything or find someone who truly loves him and can handle his shy, damaged self.

There's one man he can always call on for help, and soon he's staying with his dear friend Luther once again. Living together brings back old feelings for both of them, their one disastrous date attempt notwithstanding. Should they try again? Is Josh too damaged or will he finally find a man to love for the rest of his life? ~35,000 words heat level very low This gay romance contains characters from the Max and Jamie books. It can be read alone.

It's my boyfriend, she tells you. I think he has prime potential to be an astronaut for NASA. Intrigued, you ask why. She explains that ever Yeah, you should kill the friendship. Because if you can't respect her decisions, she doesn't need a friend like you. There is no such thing as The Guysexuals Potential Boyfriend Test For Valentines Day. Find out if he's The One. Here we are. It's Valentines Day. Things are going well, and you're happy. It means you are attractive. Here is the thing - if you are attractive the likelihood is that a lot of girls notice this and that's in itself good. If you are happy it could tell any new and potential partner everything and anything they needed to know about us. What presents we like, our favorite. Wondering if a guy has long term potential? Chances are he's sending you blatant signals as to whether his light is on or not. Yes, we'll talk about our own issues. But it's more fun to discuss other people's.
