

Leaping: Revelations & Epiphanies

In this spirited collection of essays, Brian Doyle employs his wit, wisdom, and gusto for life as he shares with readers his thoughts on Jesus, the Mass, Birds, Bees, and so much more. What would be a good alternative name for Jesus? What does a honeybee at Mass have to tell us about Christ? What is, after all, the real point of saying prayers when someone is suffering? Through the good and the bad, the serious and the hilarious, Doyle finds just the right story and just the right words to help us better understand life and love and to help us see our faith in a whole new light.
