

Bloodlines

Olivia Sealy was two years old when she was kidnapped and her parents murdered. No suspects. No arrests. Decades later, Olivia's past comes back to haunt her when a child's skeleton is discovered in a hidden walla child with whom Olivia shares a unique family trait. With the help of Detective Trey Bonney, Olivia is pulled deeper into the mystery and into the rekindling of her love for Trey as she tries to connect the events of her past and present, and in the process find out who she really is. Will the vengeful killer be caught? Or will the secrets remain buried for good. First published in 2005 under the name Dinah McCall, Bloodlines is still a fan favorite for lovers of romantic suspense novels.
