

Sunset Nights (Sunset Beach Romance) (Volume 2)

Fiona Paxton left Sunset Beach the day she graduated from high school and never looked back. Working as a fashion designer in Los Angeles California is all she ever wanted. Ten years later, Fiona wants more than money she wants a caring man. Not one who worries more about how white his teeth are or if his spray tan needs a touch up, than he does about her. Trip Delacruz gave up the big city to settle down in Sunset Beach tending his bees and making honey. One look at Fiona and Trip is hooked. Her chestnut hair and blue eyes sparkle when she talks about the Sunset Beach Resort renovation. He would give anything if Fiona looked at him the way she does at the sunset every night.
