

Love Comes Silently (Senses Series Book 1)

A Senses Series Story Caring for a loved one with cancer is tough. Doing it alone is overwhelming especially when that loved one is a child. But ever since Ken Brightons partner left him, Ken has spent his days at the hospital with his daughter, Hanna, hoping for a miracle. Maybe the mysterious care packages that appear for Hanna dont qualify, but they bring a spark of hope into his and Hannas tired life and so does Kens neighbor, former singer Patrick Flaherty. For two years Patrick hasnt been able to focus on anything but the life he should have had. An injury robbed him of his voice, and the idea of introducing himself to new people intimidates him. But over the past months, hes watched as his neighbor nursed his sick child, and once he meets Ken, Patrick starts to crave a life with him a life he isnt sure he can have. Ken doesnt realize hes fallen in love until the doctors send Hanna home, saying theres nothing more they can do: Hanna will either recover or succumb. Kens heart is set on a new beginning with both Patrick and Hanna. But Patricks silence leaves Ken wondering what Patrick wants.
