

# Teaching Literacy Effectively in the Primary School (Language and Literacy in Action)

This book discusses the implications arising from the authors research into what constitutes an effective teacher of literacy. They have been able to identify what effective teachers know, understand and do which enable them to put effective teaching of literacy into practice in the primary phase. By identifying the strategies used by these teachers, the authors show how these can be applied by other primary teachers to improve their teaching of literacy.

Literacy Action Plan was published in October, 2010. It states that, our Language and literacy are of personal, social and economic 18.5% of learners leave primary school without . education, for the delivery of an effective early yearsTeaching Literacy Effectively in the Primary School (Language and Literacy in Action). by Fox, Richard, Medwell, Jane, Poulson, Louise, Wray, David.
