The McBrides of Fallbrook return with reformed bad boy Owen. He'll do whatever he must to protect the woman who's captured his heart. Attorney by day and rancher by night, Owen McBride conquered his dark past and made it his mission to help the innocent even at the expense of a personal life. But when a client's abusive ex-husband targets Owen and his gorgeous neighbor Claire gets caught in the crossfire, his feelings turn anything but professional. The mysterious beauty awakens something in him, and he'll move heaven and earth to keep her safe. Coffee shop owner Claire Walsh learned the hard way that handsome men aren't to be trusted. Owen may be sexy as hell and determined to take care of her, but she's reluctant to put her heart on the line. His presence in her life puts a target on her back, yet the more time she spends with him, the more she finds she can't help falling for Owen.
