

Ed Koch in Conversation with Budd Mishkin at the 92nd Street Y

Bold, outspoken and passionate, Ed Koch has been a leader in American politics for more than 40 years. He and NY1 correspondent Budd Mishkin discuss his recent book *The Koch Papers: My Fight Against Anti-Semitism*, which addresses his leadership in the face of anti-Semitism and his battles with those who engage in unfair attacks on the state of Israel. Koch also discusses politics today, the upcoming election and the future of New York. Koch was mayor of New York City from 1978 to 1989.
