

## Chill Out, Josey! (Josey, Book 2)

Josey Anderson will be the perfect wife. She and Chase did have the perfect wedding if you don't count the matron of honor going into labor. Now all she has to do is find a cute Cape-style house, report for the Gull Lake, Minnesota, paper, bake cookies and learn to sew that so difficult? But when Chase lands a new job in Moscow, Josey's dreams disintegrate. After all, she's been there, done that as a missionary, and a city without year-round hot water, decent takeout or maternity clothes that's not perfection! But what's the perfect wife to do?
