

Waiting For You

Mike Davenport was seventeen when he ran away from his home in London. He took the first coach available and ended up on the streets of Manchester as a rent boy. Maybe once he could have gone home, but after losing his best friend, Simon Marchwell, when he professed his love and suffering an assault at the hands of the first man he dated, Mike doubts returning to his parents will end any happier than the rest. Christmas is nearly here, and Mike is freezing his arse off near the bus station, when a battered Ford Fiesta crawls past, not once, but three times. Mike thinks his luck is in, but when the window rolls down and he comes face to face with Simon, Mikes world changes again. A story from the Dreamspinner Press 2014 Daily Dose package Mended.
