

# Born to Kill: The Rise and Fall of America's Bloodiest Asian Gang

Throughout the late eighties and nineties, a gang of young Asian refugees cut a bloody swath through New York's Chinatown. They were the lost children of the Vietnam War, severed from their families by violence and cast adrift in a strange land. Banding together under the leadership of a megalomaniacal young psychopath, David Thai, they took their name from a slogan they had seen on helicopters and the helmets of U.S. soldiers: Born to Kill. For a decade their empire was unassailable, built on a foundation of fear, ruthlessness, and unimaginable brutality until one courageous gang brother helped bring it down from the inside.

They started out as a bunch of immigrant kids from Vietnam who hung out together, yet they evolved into Born to Kill, a savage gang of killers and thugs. The Rise and Fall of America's Bloodiest Asian Gang . their name from a slogan they had seen on helicopters and the helmets of U.S. soldiers: Born to Kill. Pris: 129 kr. haftad, 2009.
