[Menage Amour: Erotic BDSM Menage a Trois Romance, M/M/F, with M/M, spanking, sex toys] When Daria Tate loses everything—house, job and best friend—Gage Mulligan and Roman Foster step in. The two firefighters had promised their foster mother not to declare their love until Daria turned twenty-five. But their girl needs heroes, and they are just the men for the job. Daria has loved Gage and Roman since the first time she met them. But Gage and Roman were gay and totally devoted to each other, or so she thought. When they tell her the truth of their relationship, Daria thinks her dream of being with them has come true. Then they share the secret of their Master/slave BDSM lifestyle. Will Daria be able to accept them and join in their fun and games? Will they be able to help her over the guilt of not being home the night of the fire? Will their feelings fizzle or blaze into a firestorm of love? ** A Siren Erotic Romance
