

## Dark Alphas Embrace: A Reaper Novel (Reapers)

An exclusive new series from New York Times bestselling author Donna Grant! There's no escaping a Reaper. I'm an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I'm coming for you... I'm a warrior. My unbreakable determination, my backbone of steel define me. As a Reaper who does Death's bidding, weakness is a word I don't understand. Until a stunning librarian stirs emotions deep within me I've never felt before. Her soft curves blunt the sharp edges of my soul, crushing my defenses - yet make me stronger. But underneath those wide eyes and fierce femininity, she has a weapon, one she won't hesitate to use. And when the Dark begin their deadly descent, we'll need each other's love and protection...or risk fracturing apart.
