One night has big consequences. She's a captivating woman who catches his eye immediately. They spend one steamy night together. But in the morning, she's gone. Nine months later, firefighter Randy Montgomery is the first emergency responder on the scene of an accident. And as he pulls a very pregnant woman from the wreck, he recognizes her: Sam Gianfranco. What a twisted sense of humor fate has. Because not only is Sam about to give birth, but she's also in a pile of trouble. Police protection and bad-guy chases kind of trouble. Another man would walk away. Not Randy. A single glance at Sam and his baby, and he's in this for the long haul. And he'll do whatever it takes to keep all of them safe.
