

YOU POWER: The Dirty Little Cheat Sheet for Power Projection & Social Dominance! (The Absolute Beginners Guide to YOU Book 6)

Power is a funny thing. Either you have it or you don't. If you don't have it, you know your life lacks all it could be. Fortunately for YOU, attaining power is simple when you know how to focus on just a few simple aspects of gaining it. YOU POWER! takes you step-by-step, walking you to the goal of gaining power! The Most Interesting Author in the World, Greg Perry, is a multi-million-selling-book author, teacher, speaker, and leader. Here, he hands YOU power and cuts through all the junk you read in so-called self-help books. He reveals the following for YOU: A 5-word, 19-letter power phrase you can use on strangers that instantly projects superiority over them while forcing them to immediately like you and be happy talking with you (you'll read how he got a free meal when using this on a restaurant owner and you can be sure he was thrilled to give Perry the free meal)! Why you should never, ever make a promise! How Perry got an A-list Hollywood Star (yes, you'll learn who inside) to suggest they go out for coffee all from a simple nod of Perry's head to this huge name... Perry hadn't said one word up until the moment the star asked him for advice over coffee! How to peacock your way to straight to the top level power! The exact way to walk into a room and the exact expression you should have on your face to display natural power! The six Jack of all Trades topics you should master to enhance and exert your power on others (And how to use Yahoo five minutes a day to make you a more powerful person)! Neg your way to confusing people in order to catch them off guard so you can give yourself an opening for a power play! The \$10 Amazon book value analogy and how it relates to power requests and the law of supply and demand! How to use compliments as thank yous and not as bribes (this is a high level power play)! How to specifically use power for

dating on the job with friends in social environments!The one thing almost all powerful people abhor (keep this in mind when dealing with them or suffer the consequences)!How to use planned ignorance to exert power!What you absolutely 100% of the time must do when dealing with people with no power traits (this is even more true when youre surrounded by losers!How to use the adult-child dynamic to get people dependent on you!What you must do and say if you dont have a clue on a subject matter!How to work and deal with your boss that makes them cherish your presence without you even offering to do more work!The secret way to get others to constantly do things for you without them resenting you!How to use other peoples weaknesses to your advantage!Do this to dominate a meeting without talking much!How to build POWER one small step at a time!And so much more!With few exceptions, one things certain... how far you get in life and how much you get out of life directly corresponds with how much power you have. Either you have power or you dont. This is a dog-eat-dog world. Arm yourself today with YOU POWER so you can get what you want out of life... and live the good life! Or... do nothing and continue to be powerless, weak, and unhappy like 95% of the people in the world.
