

Chocolate Reality

Not many women would be able to look on the bright side of things when they are left at standing at the front of a church, alone, in a white dress, with everyone blaming her for the grooms cold feet. Yet thats exactly what Wynne does. When the only comfort she could find was in the form of chocolate, Wynne decided to open her own shop, called Chocolate Blessings. With a not-so-secret passion for chocolate, Wynne focuses all her energy on making her passion a success. Which really isnt all that hard, think about it what woman doesnt like chocolate? But, despite all this, Wynne cant ignore those sweet and utterly delectable dreams of love that refuse to go away. In her dreams, Wynne is dancing in the arms of a very strong and handsome man. But which man? Is it the one she turned away from years before out of fear, or the one who left her standing at the altar? Wynne has no sweet clue. To the surprise of her best friends, Wynne finds herself knee-deep in planning her ex-fiances engagement party. In the whirlwind that occurs, Wynne must decide which man she is still in love with the one who walked away or the one in her dreams.
