

## Immovable Objects (Family Secrets: The Next Generation)

Relishing her newfound freedom from a domineering brother, Elizabeth wanted only to control her destiny, her power, her heart. Like a bird set loose from its cage, she tested her wings with Cole Williams. But was the Philadelphia billionaire too hot for her to handle on her first solo flight? Retrieving his priceless piece of stolen art was easy, but the man was dangerously sexy. Despite her desire for independence, she couldn't help giving in to temptation and passion with Cole. But then she learned that someone from her past was hell-bent on finding her and Cole was the only one who could keep her safe. Could she give herself over to his protection without risking her body and soul?
