

Walking on Water: Reaching God in Our Time (Columba Classics)

“This is a book about a path for reaching God in our own time, says Anthony De Mello at the beginning of *Walking on Water*. As he moves us along that path, he blends Christian wisdom with Eastern methods of meditation and, in his own inimitable style, draws widely on stories of monks, rabbis, and soldiers, fairy tales and legends, gentle jokes and Zen sayings, along with numerous simple exercises. Fresh, lively, and absorbing, Anthony De Mellos extraordinary insights into the reality of human life, and its divine origins and destination, will come as a breath of fresh air and encouragement to everyone who seeks meaning and purpose in our turbulent world.
