

## Recipe for Love

Julian West has appeared on every 30 Influential Men Under 30 list since his twenty first birthday. Arrogant, brilliant, and filthy rich, he travels in the best of societies circles, but works hard at his job and his marriage. At least until he splits up with his wife and becomes headline news for something other than his business sense, causing him to bury himself in his work as CEO of one of the most affluent tech companies in the world. Cecelia Hamilton has appeared on no magazine covers, but she works just as hard, running her own catering business. Shes more interested in saving money and growing her business than finding love, but of course, things dont always go to plan, do they? When her company is hired to cater the retirement party for one of the senior members of Julians staff, their paths collide, and theyre drawn to each other instantly. Julian likes that Cecilia isnt flustered and fawning, and Cecelia can look past Julians arrogance to see that theres more to him than meets the eye. But with the combination of Julians ex-wifes antics and demands for money, the media hounding them relentlessly, and a sudden slip up that could change both of their lives forever, will they even have a chance to see what could come from the chemistry between them?
