

## His Secretive Lover (The Thorpe Brothers Book 3)

Being the daughter of a famous art thief, Cricket has learned how to steal, lie, cheat, and get away with practically anything. She has the skills to sneak into a museum with the highest security and get away with no one the wiser. The problem is: she hates to steal, lie, and cheat. Her father is disappointed in her because she refuses to help him. Despite this tension, she's perfectly happy living a normal life as an accountant. Well, except for the occasional need for the adrenaline rush. Cricket admits it - she's an adrenaline junkie. Even if her big scores are only ball point pens and occasional pranks on her boss just to irritate him. But in her defense, she has a supremely bad boss. When one of Ryker's clients vents about someone repeatedly breaking into his office and shows him the surveillance footage, Ryker immediately recognizes the woman's figure. He should have been watching that lovely form walk into the building every morning! When he accepts the assignment of his client to help track down the culprit, he has a fantastic time apprehending the beautiful cat burglar/accountant.
