

## Nanny Next Door (Single Father)

For a guy who's always kept his life commitment-free, Daniel Valenzia is suddenly tangled. A new house and becoming guardian to an infant is more than this cop can juggle. Fortunately help appears in the form of his next-door neighbor Sydney Harris. They don't meet under the best circumstances, but she quickly changes his first impression partly because she's a wonder with the baby. Things should be better for Daniel. But his attraction to Sydney makes it hard to remember it's not cool to seduce the nanny until it's clear the sparks aren't one-sided. As their connection deepens, he starts thinking about a long-term arrangement with her. And the thought isn't nearly as scary as it should be!
