

Always Room for Four

Sequel to *The Birthday Gift* Patrick Dennison is excited about the upcoming visit from his cousin Jake and Jake's wife Amanda to his ski resort. He didn't expect to take one look at Amanda's friend Tera Connolly and fall head over heels in lust. Tera is recovering from a broken heart and isn't the least bit interested in getting involved with another man. That doesn't mean she fails to notice the sexy ski resort owner. A night in his arms is the perfect way to begin to heal. She's hesitant when Amanda suggests a foursome with Jake and Patrick for Patrick's birthday. But an evening of sex with Patrick and Jake, plus the added pleasure of being intimate with Amanda, leads Tera to say yes. The foursome is amazing for Patrick, but alone time with Tera is even better. Somehow, he has to convince her to stay with him...not just for a few more days, but for a lifetime. Reader Advisory: If you can't tell from the scrumptious description above, this story contains scenes of f/f and m/f/f/m interaction. To find out what sexy surprise Jake and Patrick gave Amanda for her birthday last year, read *The Birthday Gift*!
