

# In the Beginning: A New Interpretation of Genesis

KAREN ARMSTRONG IS A GENIUS.--A. N. Wilson As the foundation stone of the Jewish and Christian scriptures, The Book of Genesis unfolds some of the most arresting stories of world literature--the Creation; Adam and Eve; Cain and Abel; the sacrifice of Isaac. Yet the meaning of Genesis remains enigmatic. In this fascinating volume, Karen Armstrong, author of the highly acclaimed bestseller A History of God, brilliantly illuminates the mysteries and profundities of this mystifying work. A lyrical chronicle of one woman's wrestling with Genesis that can serve as a guide to others ... As notable for its scholarship as it is for its honesty and vulnerability. --Publishers Weekly Armstrong can simplify complex ideas, but she is never simplistic.--The New York Times Book Review
