

Journey To Enchantment (The Golden Chronicles)

Beautiful, flame-haired, fiercely independent Prudence has two passions: Scotland and the heroics of Ligon Doone, scourge of the hated Redcoats. And she is shocked when her father takes one of those Redcoats a wounded English soldier into their home on the shores of Loch Ness. But soon Prudence begins to suspect this Englishman is more than he seems she fears he is a spy, even as she begins to surrender her heart. What's more, she is suddenly embroiled in a daring plot to rescue rebel Scots and smuggle a cypher containing the location of Bonnie Prince Charles' lost treasure. This is her adventure of a lifetime, with even greater treasures to be found on her Journey to Enchantment.
