

How to Love

Relationship, no...but threesome, hell yes!
San Amaro Singles, Book 2 Ever since Jules new neighbor moved in, shes been undressing him in her mind. Mike is the fresh inspiration she needs to make her erotic photography studio a success, if she can convince him and his equally buff roommate, Carlos, to strip for her lens. And maybe indulge in a little off-camera fun as well. But Jules isnt too worried. She doesnt do relationships, but she loves men and sex-and in her experience, most men are okay with that. Judging from the raw emotions leaping from the images in Jules gallery, Mike senses theres a lot going on beneath her flirtatious, slightly cynical exterior. He and Carlos are happy in their committed relationship, but theyve always felt theres a piece missing. They want a woman. Jules could be that woman. A threesome with two committed men? Sounds like an emotionally risk-free dream come true for Jules. But when they make it clear they want more, her deepest fears push to the surface, straining bonds forged in incredible heat to the breaking point... Warning: The book features two hot men brave enough to climb cliffs, strip naked for erotic photographs, have sex in a portrait studio and on a cliff, and who have the courage to teach a commitment-phobic woman how to love.
