Customer Reviews from the books in the series. This story kept my interest and showed how we should look at the inside and not what is on the outward appearance

Rosemary This story was good, and a nice change from many other western mail order brides where the groom is handsome and the bride is an orphan.

Patricia Blinded By love Book 1 In 1870, Hazel Lynn Morgan was a girl right on the verge of becoming a woman. She lives in a small town on a farm in Ohio, where nothing new or exciting ever happens. She has survived this long by reading books about exotic places and using her imagination, or what her Ma has termed, her Magical Thinking. Will a simple mail order bride ad placed by a cattle rancher in Texas named Heath Key change Hazels life for the better? Or will the secret that Heath is hiding threaten to ruin both of their lives? Will the man who has been by Heaths side as his best friend since childhood bring them closer or come between them in the end? Follow Hazel on her journey to adulthood as she discovers that sometimes you have to close your eyes to really be able to see.

Ready For Love Book 2 Hazel is planning her first Christmas with Heath and their wedding. Shes also plotting to help John, Heaths best friend and partner find a love of his own. The problem is, John is already in loveWith Hazel. It will take John a wild ride across Texas and a gunfight alongside desperate men to realize that what he needed wasnt necessarily what he thought he wanted. But is it too late?

Searching For Love Book 3 While Hazel and Heath plan for the birth of their first child, and John and Becky get married and prepare for their lives together, another bride is making her way to Texas. Louise is from Massachusetts. Shes a well-educated, well-bred young lady whose father chose to

send her to Texas to marry a pastor in a church in the town where Key Ranch is. Upon arriving in Texas, Louise will first meet the man of her dreams, and then realize that man is not the one she's here to marry, but instead her betrothed is a man over twice her age and with less than honorable intentions. Searching For Love is about friendship, love, resilience, and above all the strength that we all find deep in our souls if we're willing to look.
