I love Joe Brunos books. I always say that hes the NYC true crime historian. NYC has had its share of murder and corruption over the past couple of centuries and the author is a wealth of knowledge about it. A must read for any true crime book collector. - RJ Parker - Best Selling Author of True Crime Books TRUE CRIME AT ITS BEST!! - Joe Bruno has a way of giving real light into his mob stories. His easy writing style pulls you in, and his no BS attitude allows you as a reader to get the full story not just what he chooses to share. There is so much real life history in these books. His books are especially edge of your seat interesting. They are mind blowing, really. I would highly recommend you pick up a copy of one of his books. Youll see what I am talking about.
