

Hurt Me

In high school, Thomas Banks fell in love with Elliot Tucker, his best friend. But after one night of passion Elliot skipped town, leaving Thomas alone and heartbroken. Six years later... Thomas signs up for a sexual practices study at his university to help pay the bills, only to find the grad student leading the study is none other than his long lost love, Elliot. The study involves whips, bondage and levels of pain and pleasure Thomas never imagined hed enjoy but every lesson leaves him longing for more. As old feelings surface, Thomas struggles to break down the walls Elliot built around himself and find out the truth about his sudden departure six years before. However, Elliots thesis is on the line, and the closer he gets to Thomas the less hes able to control his dominant urges. But Thomas isnt backing down - not until the two men take a second chance at first love. Warning: Contains graphic gay BDSM and gay sexual situations. Revised.
