

## Interlude: A Novella

Cassidy McCullough has come home to the family ranch outside Busted Spur, Arizona, to prepare for her upcoming wedding to the wrong man. Sure, Michael's nice enough—smart, successful, and good-looking to boot. The trouble is, he's not G.W. Benton, the sexy, slightly older rancher who lives near the McCullough place. G.W. has a young son and a history of heartbreak, and while Cassidy has known him all her life, she swears she's over her childhood crush. Cassidy has made herself a life in Seattle, where Michael is eagerly awaiting her return. A difficult decision looms closer and closer for the big-city girl who still has a soft spot for her country roots. Is Seattle and Michael her real home, or does her heart still belong to Busted Spur after all this time? All proceeds from the sale of this novella will be donated to the Humane Society.
