One of your favorite inspirational romances, *Whats Cooking?* is now available as a complete and unabridged audiobook. When 24-year-old Mitchell Farris signed up for an evening cooking class he wasn't expecting to meet the woman of his dreams. Now if he can just convince the teacher he's the man of her dreams and that age doesn't matter, he'll be fine. Carolyn Rutherford is quickly approaching her thirty-third birthday and knows that the time to settle down is fast approaching, but with whom? She has a mental image of her ideal mate - and it's not Mitchell Farris. Would the Lord call her to marry someone nine years her junior? Or will everyone just wonder what's cooking?
