What do you do when you run into the man who broke your heart? Lily's been back in Cedar Ridge for less than ten minutes when she bumps into Aidan, the former love of her life. So much for sneaking back into town unnoticed. And thanks to frizzy hair and armfuls of junk food, she's turning his head for all the wrong reasons. No one knows why Lily is home after ten years, and she's determined to stay no longer than the summer. But Cedar Ridge and Aidan have other ideas. As they set about persuading Lily to give them a second chance, she finds herself falling under the spell of the Colorado mountains ... and the one man she could never forget.
