

Secrets of His Own (Cape Diablo)

HARBORING DESIRE Haunted by a traumatic past, Carrie Bishop exiled herself on the shadowy Cape Diablo island in search of the truth. She never expected to cross paths with a steely-eyed stranger as she combed a crumbling Spanish villa for clues. Nick Draco was as primitive and dangerous as the land he inhabited and yet his magnetic presence awakened a breathless yearning inside her. An intense premonition of evil on the island left her chilled to the bone, but when they unearthed a menacing thirty-year-old mystery lurking within the estates dilapidated walls, it was in Nicks arms where Carrie sought protection and succumbed to seduction. Now, nothing could prepare either of them for the sinister revelations that were about to engulf Cape Diablo.
