

## Now and Forever (Dreamscapes: Whispers of Love)

They were betrothed as children, but Jase Terrell refused his destiny and ran off, defying the family. Now his promised bride is in danger and hes the only one who can save her. Yet shes the one woman who can spell his destruction ... Kayla has no memory of the ancient ceremony that bound her to Jase. But she feels a special bond to him, one that has her longing for a marriage in her own right. And even though she knows instinctively that they must never touch -- never love -- lest a dark prophecy come true, they cant walk away from each other ... again.
