

Spiritual Madness: The Necessity of Meeting God in Darkness

A pioneer in the field of energy medicine and human consciousness investigates modern mysticism. Today's mystics seek the divine path while holding down jobs, caring for their families, and dealing with the chaos of contemporary life. In this program, Dr. Caroline Myss examines the roots of mysticism, revealing the deep and rich madness that is unique to modern society, yet is also crucial to spiritual evolution. The best-selling author also looks at ways to translate mystical experiences into modern life, how one simple prayer can end our spiritual confusion, why we invite God into our lives, and a series of self-teaching exercises and practices.
