At Harper Hills Hospital, evil stalks the corridors... When Dr. Halona Moore joins the staff of the California hospital as its pediatric resident, she is unaware that a vicious baby killer is watching her every move. But Harris Macklin, a disillusioned cop, becomes very much aware of Halona's danger, as well as the murderer's connection to a mysterious and eerie temple. Will Harris be able to nail the culprit before Halona becomes the next in a string of victims, or will she be left all alone to face the dangerous threat in the hospital morgue?
