

## AIDS in the Church

In a crisis people are sometimes confused and put their trust in man. When these individuals can't answer their prayers, the only name that is important is the name of Jesus. He will never leave you or forsake you like man. Nor will he tell another human being any of your business. I guarantee you that the name of Jesus is who you want to call for when it is time to pray.

AIDS: African Americans Focus on AIDS Outreach Subscriber Access Only. Black Church Week of Prayer for the Healing of AIDS gains observation. By Jody A statement adopted by the WCC central committee on the basis of the WCC consultative group on AIDS study process, September 1996. One of the major problems we face when dealing with HIV/AIDS is deficient or incomplete knowledge, especially concerning how this disease is transmitted from (The church, pastored by Rick Warren, is actively involved in AIDS efforts around the world and has worked with world leaders through its Global Summit on What the churches are called to do by their theology turns out to be what works best in AIDS prevention. Responses to the global HIV/AIDS epidemic are Early struggles in developing a response to the HIV and AIDS pandemic were remembered by African women church leaders who gathered in Trained by the WCC programme EHAIA, church leaders and activists in Kenya are working hard to address HIV and AIDS. They focus on HIV In response to the global HIV/AIDS pandemic, The United Methodist Church will work cooperatively with colleague churches in every region. The Bible is replete The Central Committee of the World Council of Churches released a strong statement on AIDS when they met earlier this month in Geneva to 6 days ago UCAN, the United Church of Christ HIV and AIDS Network, is the UCC's national non-profit charitable organization for response to the HIV and Jamaica is proud of its religious tradition, but how has the Jamaican church responded to the complex challenges of HIV/AIDS in a changing society? The archbishops speech was titled The International Role of the Catholic Church in the Prevention and Treatment of HIV/AIDS. \* \* \*. It is with
