When Melody takes a much-needed break, the last thing she expects is to have a passionate vacation affair. Shy and modest, she isn't used to devastatingly handsome millionaires like Adam Carlisle, a man clearly accustomed to getting exactly what he wants! However hard Mel tries to resist, Adam tries twice as hard to seduce the innocent beauty. Before long, Adam decides he must take Mel as his bride, if only to ensure she stays right where he wants her firmly by his side!
