

The Perfect Neighbour (MacGregors)

AVAILABLE DIGITALLY FOR THE FIRST TIME The last thing Preston McQuinn wants is a nosy neighbour. He wants peace, quiet and as little distraction as possible while he works on his new play. That's why he's in New York - where people leave each other alone. But Preston hadn't factored in cartoonist Cybil Campbell, the girl across the hall. Cybil is bright, beautiful, vivacious... and impossible to ignore. Thin walls and thick defences are no match for her irresistible charm. The Perfect Neighbour can be enjoyed as a hugely entertaining standalone novel. It is also the eighth instalment in the classic The MacGregors series, which begins with Playing the Odds and continues with Tempting Fate, All the Possibilities, One Mans Art, The MacGregor Brides, The Winning Hand and The MacGregor Grooms - all available as Ebooks for the first time. And look out for the prequel For Now, Forever, plus the historical MacGregor novel Rebellion and its companion novella In from the Cold. Includes a preview of Rebellion
