Book five in the Uncommon Cowboys Series Since he was hunted because he is different, Deputy Micah Danvers has lived a plain, ordinary, boring life until he rescues mysterious Sasha at a country fair. The only problem is, the sexy minx who has Micah tied up in knots isn't a woman, but all man. He was hunted because he is different. Now Deputy Micah Danvers is normal at all costs. He left behind the wounded boy he used to be and is dating a nice woman. He's got a good job and a ramshackle cabin to fix up. But when plain ordinary cowboy Micah rescues exotic Sasha from bullies at a local fair, it turns out Sasha isn't a woman like he thought. Unconventional Sasha is not afraid to stand out; she thrives on it from his nights of dancing around a fire in the nude to the rare breed sheep he's trying to rescue from extinction. Shifter Micah aches for Sasha, but he'll have to leave the shadows to claim a man who is unafraid of tempting the wolf.
