

Voices of Time: A Life in Stories

In this kaleidoscope of reflections, renowned South American author Eduardo Galeano ranges widely, from childhood to love, music, plants, fear, indignity, and indignation. In the signal style of his bestselling Memory of Fire trilogy--brief fragments that build steadily into an organic whole--Galeano offers a rich, wry history that is both calmly philosophical and fiercely political.

Stories, written by life. Despite all the associations, voices of time is not mere nostalgia. Rhythm masters gerald veasley and jojo mayer see to that: veasley hasVoices of Time: A Life in Stories and millions of other books are available for Amazon Kindle.
