

Wanted: A Real Family (The Mommy Club)

In the first book of her new miniseries *The Mommy Club*, Karen Rose Smith introduces readers to down-on-her-luck single mom Sara Stevens and the sexy photojournalist who just might be her knight in shining armor. Two years ago, Sara helped to heal Jase Cramer's injured body and his soul. Now, with their home destroyed in a fire, she and her daughter are the ones in need. Accepting Jase's offer to stay at his family vineyard is a temptation the widowed physical therapist can't resist. But can she put the brakes on the sparks flaring between them? Jase never forgot Sara's tender loving care or the attraction that couldn't go anywhere. Now she's back in his life, awakening feelings that bring back memories of heartache. With the help of Sara's little girl and *The Mommy Club*, the volunteer group that's transforming their California community, Jase just might be ready for a second shot at love and the family he always wanted!
