

When Morning Comes (Family Affair Novel)

A New York Times Bestselling Author -- Dr. Cade Mathis learned early that he was not the son of the man who raised him. His adoptive father had always been quick to tell him that he was a bastard and an embarrassment to the society family whose daughter gave birth to him. So when Cade received a full college scholarship, he was happy to leave home and never look back. Now a successful neurosurgeon, the only thing he still wants is an answer about where he came from.
