How is this book unique? Formatted for E-Readers, Unabridged & Original version. You will find it much more comfortable to read on your device/app. Easy on your eyes. Includes: 15 Colored Illustrations and Biography

**The Scarlet Letter: A Romance** is an 1850 work of fiction in a historical setting, written by Nathaniel Hawthorne, and is considered to be his magnum opus. Set in 17th-century Puritan Boston, Massachusetts, during the years 1642 to 1649, it tells the story of Hester Prynne, who conceives a daughter through an affair and struggles to create a new life of repentance and dignity. Throughout the book, Hawthorne explores themes of legalism, sin, and guilt. In June 1642, in the Puritan town of Boston, a crowd gathers to witness the punishment of Hester Prynne, a young woman found guilty of adultery. She is required to wear a scarlet A (A standing for adulteress) on her dress to shame her. She must stand on the scaffold for three hours, to be exposed to public humiliation. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses.

**The Blithedale Romance** (1852) is Nathaniel Hawthorne's third major romance. In Hawthorne (1879), Henry James called it the lightest, the brightest, the liveliest of Hawthorne's unhumorous fictions. The story takes place primarily in the utopian community of Blithedale, presumably in the mid-1800s. The main character, Miles Coverdale, embarks on a quest for the betterment of the world through the agrarian lifestyle and community of the Blithedale Farm. The story begins with a conversation between Coverdale and Old Moodie, a character who reappears throughout the story. The legend of the mysterious Veiled Lady is introduced; she is a popular clairvoyant who disappears unannounced from the social scene. Coverdale then makes the

voyage to Blithedale, where he is introduced to such characters as Zenobia and Mr. and Mrs. Silas Foster. At their first community dinner they are interrupted by the arrival of Hollingsworth, a previous acquaintance of Coverdales, who is carrying a frail, pale girl. Though Hollingsworth believes the girl (whose age is never clarified) is an expected guest, none of the Blithedale citizens recognize her. She immediately develops a strong attachment to Zenobia, and reveals her name to be Priscilla.
